Plans were made to attend the Detroit Boat Show on February 16<sup>th</sup>

Ten Members attended the boat show. A big Thank You goes out to Doug for getting us FREE tickets for the show.

Broomball was scheduled for February 15. Several members attended the game. The Glass City Water Ski Club once again defeated the BGSU Water Ski Team. There was an after party at Junction in downtown BG. Everybody had a great time at both the game and after party. We had on member who found muscles he forgot he had. Scott has recovered and is ready for the next broomball game.

The members approved \$500.00 for a camping trailer at the ski site. Scott, Doug and Terry looked at a trailer in Findlay and a decision was made to purchase the trailer. Thank You Scott for finding this trailer.

Frank and Pat Waldo were approved as Lifetime Members. Frank and Pat have given much to the club and this is a way of saying Thank You for your service to the club.

Thank You Asa for updating the website. The site has been a valuable tool in getting new members.

The meeting ended at 8:30pm
