August meeting
08-07-2007 at
the ski site at
7:00pm

Which board
member term
expires at the
end of 2007? If
you know the
answer contact
[twind@hotmail.c
om](mailto:twind@hotmail.com) or 419-866-
8294
Win a prize?

10 members attended the April meeting. Issues covered were: No more skier of the year award & no more presidents award. \$100.00 approved for the grind rail rework. Rob will handle that.

May meeting: 8 members present: Items discussed & approved: Family rate of \$100.00 now includes children up to the age of 25 as long as they live at home. BGSU students can ski this summer as long as they pay boat gas. They are members until their next payment in August. A contest was proposed by Carol called the hunks & the babes. If the babes bring in more new members the hunks will cook at the Memorial Day party. Vise-Versa if the hunks bring in more members.

Mike Lankey will contact the Toledo Ski Club and see if we can do a joint venture with them for members advertising, etc.

\$150.00 was approved for jump repair, painting & misc. The jump will be painted red, white and blue. Then Rob said he would have a flag painted on the jump by his brother in law. Terry will contact Rick

in the river about doing a joint venture with him on their slalom course for maintenance etc.

\$10.00 approved for Asa & the web site.

A big THANK YOU goes out to Asa for maintaining our web site.

The weather delayed June meeting was held on June 12th at the site. Only 4 people showed up for the meeting and skiing. Nothing happened and nothing was decided because of the poor turn out.

Attached to the newsletter is a current listing of members. As you see membership is down. We need more members!

This will be the last newsletter sent out to last year's members that have not paid their 2007 dues.

Who has been in the club the longest?

Contact Mike with the answer and win a prize?

Ski Site News

A big THANK YOU goes out to the members who helped paint and wax the jump and put in the dock. You know who you are. It seems like it is always the same people who do all the work so all the members can enjoy the fruits of their labors.

Lloyd took it upon himself to build a permanent ski course at our site. He thought that a ski club without a course is not a ski club. Lloyd donated all the materials to make it happen. Lloyd and Denise put in 20 hours each making this happen and Doug put in 4 hours and Terry and Carol put in 7 hours each helping to put in the permanent course. It needs some ball adjustment to complete the course. Then it will be perfect.

Houseboat Trip

Doug and Terry pulled off one of the best houseboat trips the club ever had. Thirty-seven people on 3 houseboats and with 7 ski, wakeboard and tour boats. If you did not attend you missed a great time. Just ask your fellow club members that went.

THANK YOU Doug and Terry

We have been invited to join a ski club from Columbus for a September houseboat trip. Contact Terry if you are interested.

Terry:

I am a member of the Mid Ohio Ski Club in Columbus. In past years we have done a houseboat trip to Dale Hollow in mid-September. The weather has always been good and the houseboat prices are lower after Labor Day. In 2006, we did not have enough people interested to make the trip affordable. I was wondering if your club would be interested in a combined trip. Please let me know. I can be reached 7:30 to 4:30 weekdays at 614 480-8934.

Thanks,

Tom Ulry
