## Meeting Minutes

The October meeting was held on the 7<sup>th</sup> at Zia's Restaurant. Fifteen members and spouses, along with two representatives from BGSU Water Ski Team were in attendance. The meeting was held after appetizers and dinner. The food and companionship was excellent. The meeting was called to order at 6:15 by our president Mr. Mike Lankey. Mike expressed his gratitude to all the members who made this year a great success. Mike also thanked the members from BGSU on their successful season with lots of new skiers and members.

Mike wants members to volunteer to be officers and a board member by the end of November. If nobody comes forward Mike will be assigning positions to our membership. So sign up early and avoid the call.

Members expressed interest in Broomball games with BGSU and a winter snow ski trip. Terry will co-ordinate with BGSU on the broomball and will look into Boyne Highlands for a possible destination for a snow ski trip in January 2008.

Ross Dantonio & Brittney from BGSU thanked all the members of the club for making their fall season the success that it was. They mentioned that without the GCWSC it would be tough for them to recruit and improve as they have. Every year they get bigger and better with the GCWSC's help. The meeting ended at 6:30pm

The board approved \$250.00 payable to Terry for boat damage suffered on a ski
